

SEPTEMBER CLASS PLACEMENT

Dear Parents/Guardians,

We consider many things when creating classes for the following year. Some of these considerations are academic achievement, special needs, leadership skills, social and emotional needs, amount of adult support needed and a balance of boys and girls. Our classroom teachers and support staff provide input about student needs in this complex process and spend time discussing each child's placement. Throughout the year, classroom teachers become increasingly aware of your child's needs both through daily interactions with you child and discussions with parents. However, if there is any additional information that you wish us to consider, please provide it using the format below.

This form will be shared with classroom teachers and support staff when the new classes are designed. Also, please be aware that it is very likely that due to number of students and number of divisions, many of our classes will be combined grades and **we will not be able to accommodate requests for single grade classes nor for specific teachers.** Requests for specific teachers will be cheerfully ignored. If you have any questions, please call me at 604-296-9034 or email me at hal.wall@burnabyschools.ca.

Yours truly,

Mr. H. Wall
Principal
