### **VP's Report:**

-Report Cards will go home next week.  
-Discussed new process of reporting using tools such as portfolio, blog, FreshGrade, or myBlueprint. The new process is more student-centred and parent-engaged.

-Discussed school events

- Pancake with Santa
- Christmas Concert
- PD day January 28, 2019

-Discussed Social Emotion Learning play group. Students learned social emotion skills through playing.

b. Chair's Report

-Discussed Board Game Night. Kids that came had lots of fun. No cost to families and PAC. We will do it again next year.

-Discussed January 2019 Hot Lunch options. Rachel will contact JMI Sushi to see if their industrial kitchen renovation was completed. Backup option will be pizza.

-Discussed Creative Pack school supplies. Creative Pack charges \$3.50 for shipping. The orders will go to home, not school. \$5 per order will go back to school in the following school year. Jaclyn will confirm with Creative Pack if the \$3.50 shipping is per order or per student.

Emily Press was brought up as a school supplies labelling fundraiser. Ruby will provide more information at the next meeting.

-Discussed Pancake on Dec. 12 was a success. The kids had so much fun.

Discussed things can be improved next year:

- PAC to provide cleaning supplies, and do not use kitchen lady's cleaning supplies
- So many pancakes were given in earlier sitting and weren't enough for the last sitting. We could give one pancake per kinder, and only give out the second pancake for those want more.
- May need to buy a new Santa suite next year. It was borrowed this year. PAC should have one, but it wasn't able to be located.
- Going Green next year. Kids should bring their own plates and cutlery. No extra disposable plate will be provided.

c. Vice Chair Report

-Discussed Raffle donations.

-Fun Night (tabled until the next meeting)

d. Treasurer's Report

-Discussed current financials.

5. Old Business

-Purdy's fundraising well responded. However, PAC encountered many difficulties,

- Back and forth phone calls to place order an order
- Over charged to credit card,
- Orders came unorganized and made the distribution very difficult.

-Tablecloths. \$200.00 budget was approved in Sept 2018's meeting.  
(Tabled until the next meeting)

6. New Business

-Multicultural night date.

Multicultural potluck on March 08, 2019

5:30 pm to 7:30 pm at the gym.

-Discussed Fundraiser for family day.  
We should plan ahead next school year.

-Movie night. The current available movies weren't suitable for kids. More movies will be released in January. We may have to look at older titles.

-Skate night. Feb 18, 2019. Aniz will organize and in charge of the invoice including looking into the insurance option and coordinate with school to have teach to attend.

#### 7. Correspondence

- Discussed hand soap comment. It's a school district issue. But school will try to talk to the district.
- Discussed rotating playgroup at recess, so students could play with different friends.
- Discussed stranger safety concern.
