Dear Taylor Park Caregivers,

Hi, I'm Daniel Duggan from Rhythm Resource.

We're a company that provides innovative rhythm workshops using drums and percussion from all over the world. We love drums and the way they bring communities together, we use the drums in many creative ways to enhance learning in a physical fun way.

I'm really excited to be visiting Taylor Park Elementary School for a 6 day long project. I will start on Thursday 11h April with our NEW "Release the Rhythm" show and the project will finish on Thursday 18th April.

Throughout the project, students are learning to play Afro-Peruvian Cajon hand drums and other untuned percussion. They will gain a deeper understanding of rhythm & rhyme, other world cultures & traditions, as well as learning new musical skills enabling them to grow in their creative confidence as individuals.

This fabulous project will climax with an interactive sharing performance:

Thursday 18th April starting at 2:00pm.

Every Division will be performing.

Please join us for this performance!

To find out more information about us and to connect, follow the social media handles below.

We have many years of experience working with all ages & abilities in many different settings. Including a New Guinness World Record with African Drums, which you can check out on our YouTube channel.

I look forward to seeing you soon!

Kindly,

Daniel Duggan.
