## Frozen Yogurt Treat Day - Thursday, Oct 24th, 2019

Dear Taylor Park Elementary families:

We're excited to present you a treat day featuring **Frozen Yogurt** from TC BY. Please refer to the attached Fun Facts section for further details and benefits of the TC BY Yogurt. As the students have fun enjoying the delicious yogurt, the funds raised will go towards programs that benefit our students.

We would also like to introduce a paperless approach to ordering the frozen yogurt. Here are the steps:

1. Please note that no paper order forms will be sent with your child(ren).
2. Please place the order in [School Cash Online](#) by **Sunday, Oct 20<sup>th</sup>**. The 5 flavor choices will be: Chocolate, Vanilla, Strawberry, Bubble Gum and a dairy-free option Mango Sorbet, in a **3 oz cup** at **\$2.50 each**.
3. Please watch out for an email receipt from School Cash Online confirming the order has been placed. This and the payment history would be your record for the order and payment.
4. There is no paper form to send back to school either, ☺. Your order through School Cash Online is the proof and record we go by to order from the vendor and distribute the yogurt.

The frozen yogurt will be delivered to your child(ren)'s classroom frozen fresh on **Thursday, Oct 24<sup>th</sup>** during the lunch time. Please note that no late, cash or cheque orders will be accepted. Any cash or cheques received will be returned to the student. If you have any questions, please refer to the attached FAQ section, or contact us at [taylorparkschoolPAC@gmail.com](mailto:taylorparkschoolPAC@gmail.com).

There are many great flavors offered by TC BY. Depending on how the students like them, we are hoping to offer these yogurts often (e.g. monthly or more in the new year). Please stay tuned and come back next time to try a new flavor, ☺. We sincerely thank you for your participation and continued support.

**Taylor Park School PAC**

### Fun Facts about TCBY Yogurt

- 🔍 TCBY is U.S. based with franchises in the U.S. and Canada. It is a pioneer in Frozen Yogurt and committed to offering nutritional benefits as well as great taste.
- 🔍 Delicious frozen yogurt can be a healthy addition to a balanced diet.
- 🔍 High in fiber and protein, low in fat, peanut free, lactose free, 120 calories (6 oz size) or less per serving.
- 🔍 Contains 7 live active cultures (probiotics) which will improve digestion and help the body absorb more nutrients. Not all products termed "frozen yogurt" actually contain live and active cultures. Some so-called "frozen yogurts" use heat-treated yogurt, which kills the live and active cultures, or they may simply add in cultures to the mix along with acidifiers and skip the fermentation step all together. To help you identify those yogurt products that contain live and active cultures, the National Yogurt Association (NYA) has established a special Live & Active Cultures seal. TCBY frozen yogurts are tested by the NYA and have earned the Live and Active Culture Seal of Approval.

### FAQ

1. Q: I'm used to receiving a paper order form. How will I know that the order for my child is received?  
  
A: By not using the paper forms, we will reduce paper usage and save valuable time for the PAC, the teachers and the school office staff. Email notices are also less likely to get misplaced than the paper forms. Thank you for your understanding and participation in this environment-friendly initiative.
2. Q: I want to use the paper form as the proof that an order has been placed for my child(ren), in case there is an error with the order.  
  
A: Now your email from School Cash Online and your online ordering history serve as the proof. The School Cash Online is also the source for food order and distribution reports. This will in turn minimize any manual data entry error.
3. Q: I want to order for my child, however I do not know how to use the School Cash Online. Can I still pay by cash/cheque?  
  
A: If you would like to know how to use School Cash Online, please refer [here](#) (under New Users, What is School Cash Online) for the steps. Collecting cash/cheques takes up a great amount of time between the office staff and the PAC. By making a payment online, you will save your own valuable time, and receive an email receipt as confirmation.
4. Q: I used to be able to submit the order after the cutoff date if it is before the Hot Lunch date. Why can't I do so now, if I forget to order on time?  
  
A: The order notice emails are sent out well in advance. The PAC has less volunteers than before and a very short turnaround time between the order cutoff date and the delivery day. Late orders need to be added in manually, which are time consuming and increase the chance of errors. Please ensure to order before the cutoff date. Thank you for your cooperation.
